FLOOD-SMITH C-26

LOCATION: From Bagdad, Ky. drive north on Hwy. #395 for two miles. Turn left into the farm now owned by Cox. Follow the top of the ridge due north for .7 mile. The cemetery is on the east side of the ridge in a small grove of trees and overlooks a tributary to Six Mile Creek.

CONDITION: This cemetery is not enclosed by a fence and as a result all the markers are down. There is no underbrush in the area but a thick cover of orchard grass made the search for markers difficult. In addition to the stones listed, the survey located a footstone initialed M.E.F. but we were not able to find the headstone.

SURVEY: This survey was made on July 23, 1978, by Alwyn Miller, Charles T. Long, Mike Roberts, Bernice Hedges and Jim Todd. The inscriptions were double checked for accuracy.

The cemetery is located about 100 feet north of the house in an open field.

CONDITION: Although this single stone is not enclosed by a fence, it is in good condition. Two small trees which have grown up next to the marker have apparently given it some protection from the weather.

SURVEY: This survey was made on July 23, 1978, by Martha and Bernice Hedges, Alwyn Miller, George Ann Carpenter, Jim Todd, Mike Roberts, and Charles T. Long. The inscription was double checked for accuracy.
